Ending Homelessness
One Family at a Time

In partnership with the Bezos Day 1 Families Fund, Interfaith's One Campaign aims to raise \$5 million by 2026 to end family homelessness in North County, one family at a time.

When we receive your gift, we'll send you information about families currently staying at our shelter, or in our rapid rehousing case management and specific ways your support will help them. You'll also receive periodic updates on families who have moved out of homelessness and the hopeful future you have helped provide.

Take the Pledge!

It takes a village! Ask friends and neighbors to join the effort to end homelessness in our community through the following pledge:

I Pledge to...

- Share my knowledge and ideas with friends and family
- Commit monetary or other resources to help families in my community
- Use my voice and my vote to influence elected and community officials

Take the Pledge Here:

"Instead of trying to survive day by day I've been able to actually focus on the future."

-Matthew, Family Shelter Resident
